Orchard Place Farm Fishing Paddock Wood, Kent

Rod Hutchinson team member **Dan Lawson** has just got back from a long and very hot weekend at Orchard Place Farm Fishery - Lake 8. With reports of wild fires throughout our county the only safe place was by a lake. Many were battling the heat and some very angry young carp but perseverance got a 12lb a trio of 15s and a 20lb and the dreaded hook pull of a very large common. Rod Hutchinson Balista B boilies doing the business all weekend long.
