PLEASE NOTE :- To fish Snipe Lake, Tuscany Lake or Daughters Lake there are certain tackle requirements in force. Please call or look at our website at beaverfarmfishery.co.uk.

JEFF'S LAKE - has been a bit tougher than usual this month even with a brand new paddle wheel aerator installed. Day anglers have been catching well but in the Jeff's Open Match the fish just didn't want to play ball. The top 3 places were - 1st **Pawel Lesniak** with 30-06, 2nd **Trevor Pavitt** with 24-02 and 3rd **Sam Beckinsale** with 21-04.

MOAT POND - has been a little harder this month but fish to 14lb have been caught. The average size carp to be banked on Moat Pond has been about 6lb but it has also thrown up a few nice tench and crucians, **Simon Ellard** had a lovely mirror at 8-07.
