Beaver Fishery Lingfield, Surrey

Steve White - 27lb 2oz

SNIPE LAKE - has been fishing super hard the month, we have sadly seen a few fish hooked and not banked due to hook pulls. There has been plenty of fish holding up in and around the pads but they are avoiding the boilie approach and seem to be preferring to eat the naturals that are in the lake. Having said that **Steve White** did well on 2 visits to us, firstly landing a 22lb 8oz mirror and then on his second visit had a lovely 27lb 2oz common. Ben Whittaker with a 23lb 10oz common.

TUSCANY LAKE - has again been the lake for a few 1sts and p.b.'s on the caffish front. Well done to **Jeff Betts** who had 2 at 20lb and 28lb, **Peter Mew** was back and landed one at 32lb 8oz whilst his fishing buddies **Nick Moorton** had his 1st cat at 30lb and his brother **Steve Moorton** had his 1st catfish weighing a massive 65lb. **Natalie Jackman** had a **PB** of 18lb, **Bill Cubbit** had a **PB** cat of 30lb, **Jason Massey** beat his **PB** twice in a session when he landed cats at 21lb 4oz, 28lb 2oz (**PB**) and 31lb 8oz (**PB**), **Gavin Rampling** and girlfriend **Emma Johnson** had a good session when Gavin landed 7 cats at 10lb 3oz, 17lb 2oz, 24lb 5oz, 26lb 2oz, 27lb 6oz, 27lb 8oz and 35lb 4oz while Emma landed 2 at 17lb and 28lb.

JEFF'S LAKE - has as usual producing plenty of small carp, some decent bream and we have seen a few proper mirrors and commons out too. The October Open Match was very hard work and the weights were low compared to what it usually does. The top 3 places were:- 1st place **Les Parker** with 31lb 4oz, 2nd place **Harry Haggett** with 28lb 4oz, 3rd place **Pawel Lesniak** with 27lb 8oz.
