The bait package will include 10 kgs of STEAMIE boilies, from the STEAMIE range, a matching glug AND Pop – Ups! STEAMIE will also deliver the bait to your door, unless you prefer to pick up your bait in person from their Wrotham shop.

### **What do you have to do to win this amazing STEAMIES bait package?**

It's really easy and everyone has the chance to win. Simply send us your catch report photograph and details of your catch, along with your name, address and contact details. You will find the online catch report page at [www.freshwaterinformer.com](http://www.freshwaterinformer.com) where there is a simple form to complete. Your catch photograph then needs to be emailed to us at [info@freshwaterinformer.com](mailto:info@freshwaterinformer.com)

**STEAMIES** will choose from one of the catch reports that are published each month. They will then let us know which catch report they have chosen and we will give them the angler's contact details.
