Tackle Box Longtop 1-Man Bivvy

Unique in its design, this two rib full sized one man bivvy folds down to not much more than the size of a broolly and weighs just 8.1kg including infill panel and groundsheet. The Longtop is suited to both short and long stay sessions and is packed with features to make it one of the most flexible bivvies on the market.

CARP COUNTY

Historical book about the large part that Kent played in the development of worldwide carp angling. Read about the waters, the famous fish and the characters that pursued them during the early days of the modern carp era. A great present for anybody interested in carp fishing history, including bait, rigs and tackle that was used and how it spawned into how we fish today.
